Message and New Year Greetings from CEO

Dear Encraft's Team,

As we stand on the threshold of a brand-new year, I am filled with immense gratitude and pride reflecting on all that we've accomplished together in the past twelve months. Your hard work, dedication, and resilience have been the driving force behind our collective success, and for that, I extend my sincere appreciation to each and every one of you.

2023 has been a year of challenges and triumphs, and through it all, our team has shown remarkable strength, adaptability, and unity. Together, we've navigated uncharted territories, overcome obstacles, and achieved milestones that once seemed insurmountable.

As we welcome 2024, let us carry forward the lessons learned, the bonds forged, and the spirit of collaboration that defines our Encraft family. This upcoming year holds the promise of new opportunities, growth, and continued success. I am confident that with our talented team, we will reach even greater heights and set new benchmarks in our industry.

May the coming year bring you joy, fulfillment, and prosperity both personally and professionally. Take this time to reflect on your accomplishments, set ambitious goals, and embrace the possibilities that lie ahead.

Thank you for your unwavering commitment and hard work. Together, we will make 2024 a year to remember.

Wishing you and your loved ones a Happy New Year filled with happiness, good health, and success.

Warm regards,

Avanish Singh Visen
Director & CEO, DCJ Group

Exciting Launch: Unveiling Encraft's Latest Offerings!

We are thrilled to unveil the latest additions to the Encraft family, setting the stage for a new era of excellence in the fenestration industry. At Encraft, we've always been committed to pushing boundaries and redefining what's possible, and these new products embody that spirit of innovation.

We are delighted to share launch of our new product range under the aluminium category, the Internal Partition System. This innovative collection comprises seven mind-blowing products designed to elevate your spaces and meet your diverse needs:

Pivot Window Aluminium:

Experience a paradigm shift in window design with our Pivot Window Aluminium, harmonizing modern aesthetics with adaptable functionality for a seamlessly enhanced living experience.

Glass Canopy:

Transform your outdoor spaces with our stylish and protective Glass Canopy, seamlessly blending sophistication and shelter to create captivating environments.

Spider Glazing Fitting:

Redefine architectural aesthetics with the Spider Glazing Fitting system, where structural integrity meets sleek design for visually stunning and impactful results.

Aluminium Casement Partition:

Achieve the perfect balance between privacy and openness with our Aluminium Casement Partition, enhancing interior spaces with contemporary elegance and practicality.

Sliding Telescopic System:

Optimize space utilization with our sleek and efficient Sliding Telescopic System, a perfect solution for modern living environments that demand flexible partitioning.

Synchronized Sliding System:

Elevate your spaces with the Synchronized Sliding System, offering both convenience and sophistication through synchronized movements and refined design.

Vertical Fold & Slide:

Redefine access and spatial dynamics with the Vertical Fold & Slide system, presenting a dynamic and contemporary solution that seamlessly merges functionality with space efficiency.

Embark on a transformative journey with Encraft, where innovation meets excellence. Our cutting-edge solutions redefine industries, providing unparalleled experiences. Whether you seek state-of-the-art technologies, sustainable practices, or stylish designs, we are your partner in progress. At Encraft, we believe in pushing boundaries, fostering creativity, and inspiring positive change. Join us on this exciting expedition, where every step brings you closer to a future shaped by innovation and elevated standards. Your journey with Encraft is not just a passage; it's a transformation towards a brighter, more sophisticated tomorrow. Embrace the future with Encraft.

Revolutionizing Tomorrow: Exploring Encraft's Innovative Technologies

At Encraft, we are at the forefront of pioneering technologies that redefine industries and shape the future. Our commitment to innovation is reflected in our continuous exploration and integration of cutting-edge solutions, ensuring that our products and services remain leaders in the industry.

Smart Designs:

Our focus on smart designs incorporates the latest technological advancements, optimizing functionality, and enhancing user experiences. From energy-efficient solutions to intelligent systems, we strive to create products that not only meet but exceed expectations.

Digital Integration:

Embracing digital integration, we seamlessly blend physical and digital realms to offer comprehensive solutions. This includes user-friendly interfaces, IoT connectivity, and advanced control systems, providing unprecedented convenience and accessibility.

Sustainable Technologies:

In line with our commitment to sustainability, we invest in eco-friendly technologies that minimize environmental impact. From materials sourcing to production processes, we integrate sustainable practices into every aspect of our operations.

Innovation Hub:

Encraft's Innovation Hub serves as a catalyst for breakthrough ideas. By fostering a culture of creativity and exploration, we encourage our teams to push boundaries and develop technologies that shape the future of the industries we serve.

At Encraft, we believe that the future is built on innovation, and we are dedicated to creating solutions that inspire progress and elevate the standards of excellence.

Prideful Moment: A Recognition from the Prime Minister

We are thrilled to share a momentous achievement that fills us with immense pride. Our very own CEO & Director, Avnish Singh Visen, has been honored by none other than the Prime Minister himself. In a gesture of appreciation and recognition for Mr. Visen's exemplary leadership and contributions to our organization and the community at large, the Prime Minister has extended a personalized commendation.

The personalized diary, bearing Mr. Visen's name, is a testament to the remarkable impact he has had on Encraft's growth and success. This recognition not only highlights his dedication and vision but also reflects positively on the entire DCJ family.

As we celebrate this extraordinary accomplishment, let us collectively acknowledge and applaud Mr. Avnish Singh Visen for his outstanding leadership and commitment to excellence. His tireless efforts have not only shaped the trajectory of our company but have also garnered national recognition.

Team Celebrations, Events, and Beyond: Embrace the Excitement with Encraft!

At Encraft, we foster a spirit of unity, innovation, and shared success through a myriad of events, engaging activities, and more. This avalanche of experiences creates lasting memories, reinforcing the bonds that define our vibrant community. From noteworthy team achievements to exciting endeavors, each moment is a testament to our commitment to collaboration and excellence.

Immerse yourself in the camaraderie that characterizes our dynamic team culture, where we honor the milestones shaping our ongoing adventure. The celebration of success is a journey we embark on together, creating a tapestry of shared experiences that shape our unique identity. We create lasting memories and continue to build a vibrant community at Encraft!

Community Engagement

In response to the devastating floods affecting our community, Director & CEO Shri Avanish Singh Visen, has taken the initiative of food distribution in the floods affected areas. Recognizing the urgency of the situation, we are committed to providing sustenance to those affected. Encraft's team has worked tirelessly to ensure timely and effective distribution to alleviate the hardships caused by the floods. It's our moral duty to stand with the community during these challenging times. Together, we can make a difference by offering not just food but also hope and support. Let's be the hope & spirit of resilience and compassion to rebuild lives.
